

## *I am George*

*I am the last words my grandma said,  
I am my cousin who gave me the idea of  
rollerblading,  
I am all my friends that push me the extra  
mile,  
I am my mums smile,  
I am the break dancer that performs on  
the street,  
I am the tennis ball and racket used by  
Nadal.  
  
I am who I am because of everyone.*

I am...  
By Alia Din, Year 6

I am my sweet little kittens that make me laugh.

I am my pencil getting ready to draw a new picture.

I am my muddy trainers back from long hikes with my nana and granddad.

I am my helpful teachers getting ready to teach me new lesson.

I am my house I have lived happily in.

I am my karate belt that I wear with pride.

I am my parrot loudly chattering my name.

I am a wild storm when I become angry.

I am the weather of the seasons which match my moods.

I am my family and friends who have helped and supported me.

I am the beautiful glittering sea in Egypt that I will never forget.

I am who I am because of everyone....

These are very important to me

- My Mum.
- My Dad.
- My Brothers.
- My Quran.
- My religion.

I am

I am a Muslim girl who loves my family.  
I wonder if I will ever go back to Pakistan again.  
I feel a big wave coming.  
I smell my Mothers perfume.  
I can hear people shouting from around the world.  
I am a Muslim girl who loves my family.

I pretend to be a pirate with my brothers.  
I feel good to know that I am going back to Pakistan.  
It touches my heart when people are nice when I am sad.  
I worry about my parents evening.  
It makes me happy when people respect me.  
I am a Muslim girl who loves my family.

I know for sure I will be able to write neat again.  
I always say "yes" when I hear that we are doing something fun.  
I dream of being a teacher teaching maths.  
I try to make my handwriting better.  
I am a Muslim girl who loves my family.

I Say that Marshfield is fantastic because all the girls in my class are my freinds.

In year 3 when Mr Spalton helped me in my work he said well done I got shy because he is a man and I am use to women teachers.

I think it is the best school because the school has good assemblies and interesting books to look at.
